OFF THE RAILS—The position of the westbound freight locomotive involved in last night's collision at the C.N.R. station before the engine was lifted back on the rails is shown here. One of the forward drive wheels jumped the left rear pony wheels in front and came down between the small wheels on that side. The brakeman of the westbound, Fred T. Clarke is in Woodstock General Hospital with a possible spine fracture.—(Staff Photo).

1949

WRECKED TRAINS COLLIDE—A view of the two freight locomotives, which met in head-on collision 1.10 this morning at the C.N.R. station, is shown here from Bay street bridge. The westbound engine and train out of Toronto at the top of photo, entered a siding being used by an eastbound freight train from London.—(Staff Photo).

He was a member of the Christian Science Church, St. Thomas.

Surviving are his widow, the former Jean Peckham; three sons, Ray W., Toronto; Kenneth, Calgary; John at home; one daughter,

around the curve in the road and are said to be very effective.

Federation Car

pared for the Easter assembly.

Rev. E. J. Robertson was guest minister and led the prayer. Hymn for the service was "Christ the Lord is Risen."

Easter music was played by George Hindle at the organ.
