5124 - 33rd STREET N.W.  
CALGARY, ALBERTA T2L 1V4

B.R.M.N.A. is happy to announce that our next works, "Canadian Pacific's Trans-Canada Limited (1919-1930)" by Garry Anderson and "THE CANADIAN - Canadian Pacific's Last Transcontinental Passenger Train" by Gary Ness and Don Bain are now available from either your favourite model shop or directly from us at the above address. Each book costs \$10.00 including postage.

Garry is newcomer to the BRMNA group of writers and we are happy to have him join us. He is the Executive Director of the Cranbrook Railway Museum and has been one of the driving forces behind the restoration of the complete "Trans-Canada Limited" at the museum. For those of you who have not had an opportunity to visit Cranbrook, we urge you to do this as the train is a joy to see. The accomplishment of restoring the cars to their former glory is a most creditable achievement and well worth a trip to this part of Canada.

Gary Ness comes from Wolfville, Nova Scotia and has already prepared "The Dominion Atlantic Railway" for BRMNA. Fortuitously he spent the academic year of 1989/1990 on sabbatical at the University of Calgary and we spent January 15, 1990 with Nick Morant photographing the last eastbound "Canadian" with Nick Morant at Morant's Corner near Lake Louise. This, in turn, led to the concept of the book and we hope that you enjoy our collaboration.
